

Protect your valuable chair and floor surfaces with single piece Chair Mats. Our stylish and functional chair mats feature a patent-pending design and come in a variety of finishes to match your furniture and decor. Designed for use on any pile carpet or hard surface, they provide comfortable, smooth chair movement over a tough laminate surface. It's like having an expensive hardwood floor installed around your desk.

Our mats stay in their place on carpet or hard floors without sharp spikes that can damage carpet and pierce concealed wire. With a money back customer satisfaction guarantee and full product warranty, the smooth, comfortable surface will provide years of trouble free, smooth performance.

"This is the ultimate chairmat. They look good, last forever and add an elegant touch of class to any modern or traditional office environment."

Unlike conventional plastic chair mats with damaging static electricity and damaging spikes, our one piece mats fit easily into their surrounding environment and minimize damage.

Designed for use on any pile carpet or on any hard, flat surface, they truly are the ultimate chairmat. Our chair mats are the finest and most advanced chair mats in the world. Both you and your high quality desk chair deserve a high quality surface. **Will not damage underlying floor finishes.**

Made from a virtually indestructible, ultra-tough laminate that resists impacts, scratches, wear, burns and stains. Each mat is 3/8 inch thick and is "spike free" and static proof. Perfect for any pile carpet or hardwood, vinyl or other hard surface, our mats include a non-slip rubber pad backing to prevent movement and protect hard surfaced floors. Each mat is hand-made and tested to ensure the highest quality. Once you've tried our laminate chair mat, you'll never settle for anything else.

These essential accessories are available in your choice of Oak, Walnut and Cherry hardwood laminates.

Available in Walnut, Oak or Cherry Finishes

A range of 4 Rectangular sizes, 4 Traditional T shape sizes and one Circular size are tailored to fit any desk and office combination. Click on any of the product links below to see more detail on dimensions and grain directions of each mat type. All mats are equipped with underside rubber pads that are designed to conform to and protect any surface. If the surface is irregular such as ceramic tiles or slate, additional rubber padding can be added for optimum performance. Please specify at time of order.

Choose from three available styles - circular, rectangular and traditional, and the best size to fit your personal desk and office space. Complete with felt backing pads to completely protect hardwood floor surfaces. Each mat is hand-made and tested to ensure the highest quality. Available in your choice of Oak, Walnut or Cherry finishes. Please specify when ordering

Tough laminate surface is virtually indestructible. Full 10 year warranty.

	Circular	Rectangular	Traditional
Small	-	36 x 42 in Chair Mat	36 x 36 in Chair Mat with 21 x 8 in Lip (overall 44 x 36)
Medium	-	42 x 47 in Chair Mat	37 x 42 in Chair Mat with 22 x 10 in Lip (overall 47 x 42 in)
Large	47 in Diameter Chair Mat	46 x 47 in Chair Mat	37 x 47 in Chair Mat with 27 x 10 in Lip (overall 47 x 47 in)
Extra Large	-	48 x 55 in Chair Mat	48 x 47 in Chair Mat with 27 x 8 in Lip (overall 48 x 55 in)

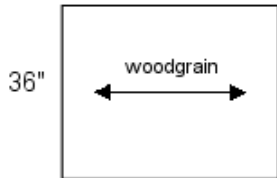

If your new mat is to be used on an irregular surface, such as slate, please specify at time of order. We will include additional factory installed rubber backing pads to allow better conformance to your floor.
