

Elements of Function

Thoughtfulness in design and function has expanded our selection of accessories for the wall, credenza and book case to include new shelving, book ends—even a waste basket. Naturally, these elements help beautify the workplace—while helping to make more efficient use of its space.

Wall Shelf. New! Same clean lines, beveled edges and rich finish of our book and binder racks which inspired its design. Solid hardwood with plate groove. Measures 12½"L x 3¼"W. In Natural Oak (*shown*, #09831), Mahogany finish (#09833) and Genuine Walnut (#09835).

Book Racks. Solid hardwood keeps up to 16" of the books you use most often in ready reach. Floating book end positions anywhere along the length of the rack. Rack also functions as a reading stand for large reference books. No assembly required. Measures 17"x 8"x 8"H. In Natural Oak (*shown*, #09791), Mahogany finish (#09793) and Genuine Walnut (#09795).

Binder Racks. Just like our book rack, only deeper, to keep 16" of those unwieldy binders in their place. Measures 17"x 10"x 10"H. In Natural Oak (*shown*, #09751), Mahogany finish (#09753) and Genuine Walnut (#09755).
