Attractive design recalls the most noteworthy feature of the classic roll-top desk

- Crafted from premium grade hardwoods native to the slow growth forests of the Upper Midwest - a region renowned for its distinctive colors, exquisite patterns and highly wearable grain densities.
- Enhanced by the richness of a traditional handrubbed finish in Natural Oak, Genuine Walnut, Mahogany stained walnut, Natural or Dark Cherry.
- Linear low-density polyethylene liner.
- 28 Quart models are compatible with most home / office paper shredders for quieter operation and greater stability.
