

# Laminate Chair Mats

Beauty and Comfort with Hardwood Chair Mats

Protect your valuable chair and floor surfaces with single piece Chair Mats. Our stylish and functional chair mats feature a patent-pending design and come in a variety of finishes to match your furniture and decor. Designed for use on any pile carpet or hard surface, they provide comfortable, smooth chair movement over a tough laminate surface. It's like having an expensive hardwood floor installed around your desk.

Made from a virtually indestructible, ultra-tough laminate that resists impacts, scratches, wear, burns and stains. Each mat is 3/8 inch thick and is "spike free" and static proof. Perfect for any pile carpet or hardwood, vinyl or other hard surface. Once you've tried our laminate chair mat, you'll never settle for anything else.

## The Ultimate chairmat!

The finest and most advanced chair mats in the world. Both you and your high quality desk chair deserve a high quality surface. **Will not damage underlying floor finishes.**
