

Harvard Series 210

Crisp mitered corners and elegant proportions characterize the attention to detail found in our most popular grouping. In solid natural oak, genuine walnut and mahogany hardwoods. Specify open front or open side desk trays in letter or legal size... and in single, double or triple configurations. The calendar base's heavy one-piece construction holds your calendar in place while writing notes (uses standard #17 refill calendar pad, not included). Matching 3x5 index card file holds up to 300 cards (not included). Business card file with concealed hinges, follow block and alphabetical dividers holds approximately 500 cards.
